

MINUTES OF THE SANPITCH WATER USERS MEETING
Minutes of a meeting of the Sanpitch Water Users held in the Ephraim City Hall, Ephraim, Utah, on the 18th day of January 1962 at 10:00 AM.

Representing the State Engineer Office at the meeting were:
Frank Reese, Comptroller, Keith Wiggenson, Clarence Erickson, Donald C. Norseth and T. Vinton Smith.

Water users and other at the meeting are according to attachment marked exhibit "A".

Distribution Engineer Donald C. Norseth took charge of the meeting, he told us the purpose of the meeting and about our water & etc.

Secretary James G. Olsen read the minutes of the 1961 annual meeting. after some discussion, the minutes were approved.

Chief Accountant Frank Reese told us the difference as to the 1961 report and that M&M has paid their assessment.

T. Vinton Smith of State Engineer's Office read the 1961 Financial Report, he said that there was one delinquent account of three dollars and thirty cents on the Miner-Turpin Co. of Fairview.

Mr. Donald C. Norseth explained just what work man compensation is

and told us it is State retirement fund and every man working for the State must pay it.

Ray D. Christensen made a motion to accept the Financial Report seconded by Erwin Morley. motion carried.

Water Commissioner Blaine Draper Reported on the water condition and said that it very good for this time of the year and was far above fifteen year average, about 23 to 35 per cent, but all depend on what moisture we get from heaven.

He said that our dividers are in very good condition, but that each company should, their dividers before opening season.

Mr Draper said that last year was our poorest year and we had the lowest record of all times.

Reuel E. Christensen asked if any water is being taken out the river system at present. and what there is in the river now?

Water Commissioner said none only that used for stock watering.

Water Commissioner Draper said he thought that there was about seventy-five second feet in the river right now.

Reuel E. Christensen and Ray D. Christensen asked about making the measurement of the river taken.

Donald C. Norseth said that we should make measurements and try to get help from the S.C.S. and other agencies.

James G. Olsen made a motion that John E. Jensen act as Chairman seconded by J.W. Neilson. motion carried.

Erwin Morley made a motion that Blaine Draper be water commissioner

seconded by Reuel E. Christensen. Motion carried.

Reuel E. Christensen asked ~~why~~ we did not have a Co-water commissioner this last year and if we had not figured on it.

There was a lot talk about a Co-water commissioner and why we did not get one.

Ray Christensen spoke for one,

Reuel E. Christensen spoke to the question and for one.

Leo Morley also spoke to the question, and told about Blaine Draper being a water master on the M & M ditch, he also said that we have the S.C.S. and thought that they help train some one if we need one.

Erwin Morley spoke to the question, and asked what good it would be to train some one, if we did use him.

Donald C. Norseth said that we are in the same condition as many other water companies, and thought that we should train some one.

J. Neil Neilson of Centerfield thought it would be better to have good records.

Leo Morley made a motion that we leave this Co-water commissioner out of our budget this year, motion seconded by J.W. Neilson. Motion carried.

Secretary James G. Olsen read the budget for the year 1962 and with State Retirement fund for the water commissioner of forty-eight dollars it passed by a motion made by Erwin Morley and second by Douglas Olsen

Donald C. Norseth said that Blaine Draper had been on the river for a long time and that State Engineer would recommend him, as water commissioner. he also said that there were other water companies that would like to join us, and that there would be a meeting either second or third week in March.

J.W. Neilson made motion that we select the same board that we have now.

Lenard Syme made a motion that the M & M have a man on the board.

Leo Morley made a motion that we have the same men on the board and add one more man from the M & M, seconded by Blain Draper.

There was a lot talk against putting one more man on the board as it would change the whole set up, and give the Moroni the control of the board & etc.

Douglas Olsen of Mt Pleasant said that Erwin Morley was put on this board from and by the man from Moroni district in 1961 and that he voted against taking Clive Hansen off the board and putting Erwin Morley on it.

Reuel E. Christensen made an amendment to the motion that we go and meet in difference groups and select our men.

The vote was 10 for and 9 against having this man on the board.

Blain Draper explained to us that Buford Christensen of Fairview would like to put Beaver farm on this side of Fairview and use some of our water either from aspring by the old mill site, or pipe the water from Parker Miner divider and use in his beaver pens and put back into the river again. no action was taken.

Leo Morley said that we should get organized on the river.

Reuel E. Christensen said we should get to-gather and get organized.

Reuel E. Christensen Gave the board a vote of Thanks. and made motion to that, motion carried.

Meeting adjourned at 12:20 P.M.
